

DELEGATE BENNETT: Second.

THE PRESIDENT: The amendment having been seconded, the Chair will comment briefly.

The sentence as it stands now provides that every citizen who has attained the age of nineteen and who has been a resident of the State for six months and of the county in which he offers to vote for three months next preceding an election shall be eligible to vote and if registered shall be qualified to vote in all national, state, and county elections held in this State.

As amended, the phrase would read that if he possesses the age and state residential qualifications and those of the county in which he wishes to vote he shall be eligible to vote in the county. I am sorry. He shall be eligible to vote; and if he registers, shall be qualified to vote in the county in national, state, and county elections.
